Lansing Community College (LCC) Wrestling Club's season is upon us. We just completed an "on campus" fair last Friday, started "post season" training camp off campus this past week, along with pre-season tryouts as of Sep 1. Reserve your spot and apply today! His our link to our new webpage:

Regular season = Oct 1 starts. And, there are still slots open. There is a full schedule posted already on the site, but if you know anyone interested in equally serving on the board this semester too, please also let us know.

Projected times are considering to change for training from presently of 2-4pm, on Mon/Wed, to Tue/Thr, 10am-Noon, and Sat, Noon-1:45pm. Pre-season times are projected though to be Mon-Thr, either 2-4 again, or 7:55-9:35pm.

DOMESTIC SITUATION is starting to come into it's own, as we welcome in our newest addition from over in Muskegon - **Kiara Lane**

Keep spreading the word about such, as we have plenty of room for more lady wrestlers to help, train, and support in MI.

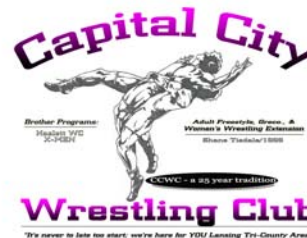

WORD JUST IN, as our warrior **Big Mike Hunter**

is on schedule to complete his current his Basic Training with the Army at Ft. Sill, Oklahoma.

Already dropping 35 pounds "so far", Mike has been involved in his training which also includes COMBATIVES, or the military equivalent of MMA. So, as he returns home, he has BIG plans! His daughter Stephanie too, as she is being groomed to join Domestic Situation!

Other than all existing training, **Adult Extension**

too is gearing up to start their actual end of Post Season for this year, Pre-Season actually depending on how things fair the next 7-8 days.

Stay tuned for the actual practice times release. As of right now we are projecting practices to start within the next week and half to two weeks time as interest has peaked lately & be like this:

Mon/Wed, 7:50-9:35pm

Let us know if interested & thanks for reading!

(P.S. Concrete for floor being laid this weekend to note. Anyone available, please let us know for Sat.)
